**KATHRYN WHITE FUND**

At the start of 2021, Past President & CEO, [Kathryn “Kate” White retired after 17 years at the helm of the United Nations Association in Canada \(UNA-Canada\)](#). In recognition of her legacy, as well as the inspiration she has provided as a role model for others who care about important international challenges, the Canadian Permanent Mission to the United Nations in New York will be inaugurating an internship in her name.

UNA-Canada also plans to establish a dedicated Kathryn White Fund to be used to facilitate opportunities for young Canadians, especially those who have often been excluded, to engage with the UN and to support the achievement of the Sustainable Development Goals - and the principles established in the UN Charter.

The fund will be established through a Community Foundation mechanism, with UNA-Canada as the charitable beneficiary, enhancing its mandate to grow global citizens - aligned to our environment, social and governance commitments.

If you would like any further information, or would like to explore options for contributing to this new fund, please contact James Lee, Director of Development - [james.lee@unac.org](mailto:james.lee@unac.org).
